GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification dated 14th April 1923.

Applications are invited from persons and Engineering Firms for licenses to execute Electrical works in Mysore, Bangalore City, Civil and Military Station, Bangalore, and Kolar Gold Fields during the year 1923-24. The applications will be received at the office of the Superintendent, Bangalore Power and Lighting, Bangalore, till 4 P.M. of the 3rd May 1923.

Only applicants possessing the following qualifications need apply:—

The applicant should state if he is a Mysorean.

The applicant should have a general and technical education satisfactory to the Licensing Committee.

The application should contain full and complete information on the following points:—

Whether the applicant requires the license for carrying out lighting installations only or for both Lighting and Power Installations.

The financial resources at the command of the applicant.

The address of his place of business and the approximate value of electrical stores he has or will arrange to have in the event of the Chief Electrical Engineer deciding to give him license.

In case of applicants who have executed electrical works in the Mysore State or elsewhere should give a list of such works.

The committee may require the applicant to present himself before the committee for examination on a written request from the Secretary, Licensing Committee.

Recommendations of the committee will be submitted to the Chief Electrical Engineer to the Government of Mysore, and the final decision as to granting of license rests with him.

About the first week of June 1923, the Chief Electrical Engineer will publish the list of applicants found eligible for holding licenses.

Dated 30th April 1923.

Notice is hereby given that sealed tenders will be received at the office of the Chief Electrical Engineer to the Government, up to 12 noon on Monday the 18th June 1923, for constructing outhouses for No. 1 and 2 Blocks of Operators' Quarters and converting existing outhouses into six cooly quarters at Kolar Gold Fields. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1923.

2. The plans, detailed estimate and conditions may be seen at the Chief Electrical Engineer's Office at Bangalore, between the hours of 11 A.M. to 4 P.M. on working days.

3. Tenders should be submitted on printed forms, which may be obtained from the Chief Electrical Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items of work specified, will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tenders for constructing out houses for No. 1 and 2 Blocks of Operators' Quarters and converting existing outhouses into six cooly quarters at Kolar Gold Fields," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer to the Government of Mysore, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice-board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Abstract of detailed quantities for constructing outhouses for No. 1 and 2 Blocks of Operators' Quarters and converting existing outhouses into six cooly quarters at Kolar Gold Fields.

I. Constructing outhouses for No. 1 and 2 Blocks of Operators' Quarters.

No.	Items of work	Per	Quantity
1	Earthwork excavation, gravelly soil	C. yd.	35
2	Concrete foundation	C. ft.	312
3	Stone in mortar, foundation and basement	,,	867
4	Brick in mortar, superstructure	,,	1,389
5	Bond stones (3' x 1½' x ½')	Each	32
6	Stone slabs 4" to 6" thick, roughly dressed	S. ft.	91
7	Plastering with mortar	Sqr.	21·45
8	Pointing with mortar	,,	1·61
9	White and colour washing	,,	23·06
10	Mangalore tiles flooring on 3" concrete and cement pointing	,,	2·06
11	Roofing with Mangalore tiles on T. R. 2" x 1"	,,	7·60
12	Ridge tiles set in mortar	R. ft.	38
13	Ventilating tiles	Each	6
14	Honne eave board ordinary	R. ft.	116
15	Honneywood work with wood oiling	C ft.	25·41
16	Honney battened doors, 1¼" shutters	S. ft.	98
17	Honney windows with iron bars	,,	36
18	Honney glazed ventilators	,,	12
19	Painting with two coats of chocolate paint	Sqr.	367
20	Cleaning site and forming drain	Lumpsum	
21	Providing mortar and pestle	,,	,,
22	Building bath cisterns	Each	2
23	Cement pointing to roof	Sqr.	6·60

II. Converting the existing outhouses into six cooly quarters with additions.

1	Dismantling the existing roof complete	Sqr.	12·96
